

Z-po Main Canopy

The Z-Po Main Canopy by Strong Enterprises is fun to fly and responds confidently to the inputs of skydivers of all skill levels.

The versatility and predictability of this 9-cell parachute makes it great for fun jumps, demo jumps, 100th or 1000th jumps. Whether you fly fast or slow, you will feel great under the Z-po by Strong Enterprises.

Like to demo a Z-po? Contact your Drop Zone Operator, with just one call, we will have a Z-po headed your way for you to try.
